

SANFORD PENTAGON **SIoux FALLS, SOUTH DAKOTA**

The Sanford Pentagon is a part of the Sanford Sports Complex, located in Sioux Falls, South Dakota. The indoor arena is home to the NBA G league team, the Sioux Falls Skyforce. With a premium NBA/college size court, big events such as NCAA Division II Championships as well as the NSIC basketball tournament are hosted here.

H2I Group assisted in various solutions for the Sanford Pentagon. We helped with the design, which is a unique pentagon shape per the name, the flooring, and the lockers. The result was a state-of-the-art space that is used and enjoyed by many.
