

EASTSIDE BOYS & GIRLS CLUB **ST. PAUL, MINNESOTA**

In its third joint venture with the Minnesota Timberwolves, Lynx, and U.S. Bank, H2I Group has completed a significant renovation of the Eastside Boys and Girls Club in St. Paul, Minnesota, as part of the "Our Courts. Our Future." program. This program aims to leverage the power of sport for community unity and youth development.

H2I Group supplied specialized services such as sanding and finishing gym floors, installing floor graphics, wall pads, basketball backstops, and scoreboards. These improvements not only enhance safety and functionality but also add aesthetic appeal.

This renovation underscores the importance of strategic partnerships in creating lasting community impact. The upgraded court at the Eastside Boys and Girls Club is now a hub for youth engagement and community development.
