

PINT'S & PADDLE **MAPLE GROVE, MN**

Pints & Paddle, an indoor pickleball facility located in Maple Grove, Minnesota, encompasses 10 pickleball courts, a self-serve taproom, and a restaurant. H2I Group provided Porter Gym Curtains, Porter Wall Pads, and Acrytech Sports Surface Flooring to the project. The Acrytech flooring is specifically designed for pickleball, aiming to enhance the playing experience by providing the proper ball speed and spin rate. The addition of the taproom and restaurant creates a space where players and visitors can relax and socialize, making the facility a multi-functional space for both sport and entertainment.
