

## **WHITE BEAR LAKE HIGH SCHOOL AUDITORIUM** **WHITE BEAR LAKE, MINNESOTA**

H2I Group partnered with White Bear Lake High School to upgrade their theater and auditorium space with high-quality seating. The project involved installing Irwin Citation Model Fixed Chairs, upholstered in Absecon Mills Sherpa fabric in Grey Heather, which provides both comfort and durability. This seating solution enhances the aesthetic and functionality of the auditorium, creating a welcoming environment for students, staff, and the community to enjoy performances and events.
